

Battlefield 2142 1.06 Patch

Mandrake, Sunday 26 November 2006 - 22:28:55

Following the 1.05 patch which was released recently, a new 1.06 patch has been released for Battlefield 2142. This patch should fix the crash-bug that was evidently introduced in version 1.05.

The patch can be downloaded [right here](#).
